Brazil	U55 / H55	0800-891-XXXX 0800-XXX-XXXX	No	Yes	Yes - see comments		- There are 41 mobile operators in Brazil. The mobile numbers all start with first digit 9 after the city/area code. Even with the premium access, some mobile operators block the access. However, the customer is free to authorize the mobile operator to unblock it. Other mobile operators block the access for 3/6 months and, depending on the customer profile (bill payment on the right date, fidelity, etc), unblock it after that period. So, ITFS numbers accessibility depends on each mobile operators procedures. No Airtime is charged for mobile access. - Payphones: Access from public payphones not consistently available as it is only provided by the Brazilian regional telephone companies. ITFS might not be available from some payphones. - Some mobile operators block the access based on their end- user profile.
British Virgin Islands	U106	1 800 XXX XXXX	No	No	No
