

# CERTIFICATE OF REGISTRATION

## Information Security Management System - ISO/IEC 27001:2022

The Certification Body of Schellman Compliance, LLC hereby certifies that the following organization operates an Information Security Management System that conforms to the requirements of ISO/IEC 27001:2022

# CenturyLink Communications LLC dba Lumen Technologies Group

for the following scope of registration

The scope of the ISO/IEC 27001:2022 certification is limited to the information security management system (ISMS) supporting the global managed services, global colocation services, IP VPN services (including Transport), Edge Compute (Edge Bare Metal), and managed security services (MSS), including the Distributed Denial of Service (DDOS), in accordance with the statement of applicability, version 19.1, dated April 24, 2025, and is inclusive of the requirements and control implementation guidance of ISO/IEC 27701:2019 for a privacy information management system (PIMS) as a personally identifiable information (PII) processor.

which includes the following in-scope location(s) on pages 2 - 10

Certificate Number: **1361865-18**

Authorized by:

Danny Manimbo  
Principal, Schellman Compliance, LLC  
4010 W Boy Scout Blvd., Suite 600  
Tampa, Florida 33607, United States  
[www.schellman.com](http://www.schellman.com)

**Issue Date**  
June 17, 2025

**Original Registration Date**  
September 14, 2007

**Expiration Date**  
June 17, 2028

**Certificate Version**  
Version 18

CONDITIONS & LIMITATIONS:

1. The aforementioned organization has a perpetual responsibility to maintain compliance with ISO/IEC 27001:2022 during the period of certification.
2. This certificate is subject to the satisfactory completion of annual surveillance audits by Schellman Compliance, LLC
3. ISO/IEC 27001:2022 compliance audits are not designed to detect or prevent criminal activity or other acts that may result in an information security breach. As such, this certification should not be construed as a guarantee or assurance that an organization is unsusceptible to information security breaches.
4. The information in this document is provided "AS IS", without warranties of any kind. Schellman Compliance, LLC expressly disclaims any representations and warranties, including, without limitation, the implied warranties of merchantability and fitness for a particular purpose.
5. This certificate is the property of Schellman Compliance, LLC and is bound by the conditions of contract. The authenticity of this certificate can be validated by contacting Schellman Compliance, LLC
