

Enterprise collaboration **made easy**

Cisco Hosted Collaboration Solution delivered by Lumen simplifies your business by helping increase collaboration between your employees, customers and suppliers.

The demands on your business are changing rapidly.

- Increased demand for seamless collaboration
- Aging voice & video communications systems
- Ongoing need for cost-efficiency

- Evolving roles, responsibilities & customer expectations
- CIO's & IT managers need to enable business on the cloud to thrive

Almost three-quarters of businesses that have deployed UCaaS plan to increase adoption within their organizations.¹

IT staff efficiencies, as well as ability to focus on core business, top the list of perceived UCaaS benefits.¹

Nearly 65% of all Calling Architecture is now using Hosted/UCaaS of that 27% is a hybrid deployment.²

Gartner predicts that by 2021, **over 75%** of midsize and large organizations will have adopted a multicloud or hybrid IT strategy.³

Simplify management

and control of your network, helping improve collaboration and employee performance.

Enhance business agility

by delivering collaboration services aligned to your changing business needs.
