

# Lumen® Managed Firewall with Cisco Meraki starting at only \$99/month\*

Lumen cloud managed firewall and SD-WAN solution

**Many businesses are currently using firewalls and routers with out-of-date firmware exposing themselves to cybersecurity risks.**

Lumen managed Cisco Meraki security and SD-WAN solution, using Cisco MX appliances, protects your business from evolving cybersecurity threats by automatically updating firewall software.

## Available Cisco MX appliances

Device	Speed	MRC*	NRC**
MX68CW	Up to 200 Mbps	\$99	\$600
MX75	Up to 500 Mbps	\$149	\$600
MX95	Up to 1 Gbps	\$249	\$600

Providing secure Internet connectivity, the above devices are 100% cloud managed. Installation and remote management by Lumen security experts provide exceptional service experience.

Cisco Meraki MX devices include a comprehensive suite of security and network capabilities, eliminating the need for multiple appliances.

## Lumen Managed Firewall Benefits

### Affordable

- Predictable monthly service charge per managed firewall starting at \$99\*
- All-inclusive pricing includes device, maintenance, and management

### Strong security

- Protects your business with an integrated advanced firewall
- Eliminates the need for multiple security devices

### Easy to deploy and scale

- Unified web-based dashboard for visibility into all devices and capabilities
- SD-WAN capable

### Simplified network management

- Centralized remote monitoring and management is ideal for multi-site deployments
- Easy to use dashboard with end-to-end visibility

## Suite of Meraki MX Appliance Security Features

- Stateful (Layer 3) & Application-Aware (Layer 7) Firewall
- Geo-IP Firewalling
- Web Search Filtering
- Content filtering powered by Cisco Talos Threat Intelligence
- SNORT®-based Intrusion Detection and Prevention
- Cisco Advanced Malware Protection (AMP)
- SD-WAN with advanced monitoring and analytics

## Common Use Cases

- Next generation, unified threat protection for retail and branch locations
- Out-tasked firewall monitoring and management
- On-site professional installation

## Product Details

- Available in 24- and 36-month terms
- Purchased stand-alone or bundled with Lumen Internet
- Other Cisco Meraki appliances and devices are available. Contact your Lumen Representative for details.

\*Monthly rates available to qualifying business customers in eligible locations, require a minimum 36-month term agreement and early termination fees will apply as set forth in the customer agreement. Monthly rates exclude installation, taxes, and fees. A customer must remain in good standing and this offer may terminate if customer changes their account in any manner including, but not limited to, their service location. Credit approval and deposit may be required. This offer may not be combined with other offers. Additional terms and conditions apply.

\*\*NRC waived if purchased as a bundle with Lumen provided internet access.

## Cisco Meraki MX Specifications

Specification	MX68CW	MX75	MX95
<b>Front view</b>			
<b>Bandwidth</b>	Up to 200 Mbps	Up to 500 Mbps	Up to 1 Gbps
<b>WAN interfaces</b>	2 x Gbe RJ45 1 x USB 1 x Integrated Cellular Modem	1 x GbE SFP 2 x GbE RJ45	2x 10 GbE SFP+ 2x 2.5 GbE RJ45 (1x PoE+)
<b>LAN interfaces</b>	10 x Gbe RJ45 2 x Gbe RJ45 PoE	10 x GbE RJ45 2 x Gbe RJ45 PoE	4 x GbE RJ45 2 x 10 GbE SFP+
<b>Mounting options</b>	Desktop or wall mount	Desktop or wall mount	Rack mount (1U)
<b>Dimension (W x D x H)</b>	11.2 in x 5.8 in x 1.1 in (284 mm x 148 mm x 27 mm)	11.14 in x 5.83 in x 1.06 in (283 mm x 148 mm x 27 mm)	19.08 in x 11.23 in x 1.73 in (484.6 mm x 285.2 mm x 44 mm)
<b>Weight</b>	2.46 lb. (1.12 kg)	1.87 lb. (0.85 kg)	6.99 lb. (3.17 kg)
<b>Power supply</b>	100 W DC	100 W DC	Internal 100-127 V 200-240 V (50/60 Hz)
<b>Power load(idle/max)</b>	11 W/79W	12 W/96 W	42 W/109 W
<b>Operating temperature</b>	32 °F to 113 °F (0 °C to 45 °C)	32 °F to 113 °F (0 °C to 45 °C)	32 °F to 104 °F (0 °C to 40 °C)

### Why Lumen?

When you choose Lumen as your exclusive network provider, you get end-to-end service that eliminates the need to work between multiple providers for complete network transformation and optimization.

Lumen SD-WAN with Cisco Meraki provides your business with a simple and secure SD-WAN solution with unsurpassed visibility and control using a simple, comprehensive web-based management tool—all for one monthly service rate.

Lumen is a proven leader in managing business networks and equipment seamlessly. Our team of experts will design, deploy and manage any part of your SD-WAN implementation using best-practices developed over decades of experience with thousands of customers.
