

Technology solutions for re-opening campuses

Building a technology roadmap for increased safety in response to COVID-19

Develop, design, and deploy a technology roadmap aimed at re-opening your campuses as soon as possible by partnering with CenturyLink. With technologies that can be delivered and installed in a short period of time, you can focus on opening your business safely.

Integrated network design and built-in security with expansive fiber network and service capabilities

Rapid response in designing, deploying, and supporting your smart venue technology

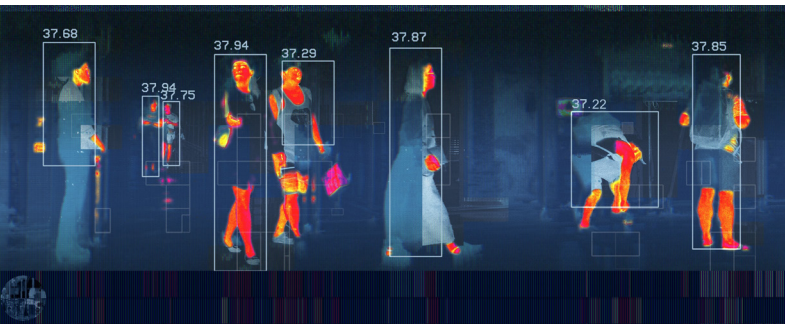

Efficient end-to-end solution with a flexible choice in tools and services to support your unique needs

Critical technology for campus experiences

- Thermal cameras
- Stop/go monitoring
- Line control monitoring
- Washing stations
- Edge/cloud based platform control

- Partner Ecosystem that can deliver timely solutions for your campuses.
- End-to-end Smart Solution capabilities.
- Flexible tools and service offerings that can be customized to meet your needs.
- Monitoring and Service Desk with rapid response capabilities.
- Services are delivered using your standards.

Re-emerge from the pandemic with confidence

CenturyLink is uniquely positioned to design and deploy smart technology solutions because of our combined core network capabilities, partner ecosystem, and comprehensive technology and process management. CenturyLink offers:

- Global team of dedicated IT Services professionals.

Create a safe environment for your students, staff, and visitors

Thermal Cameras

Thermal sensing camera partnered with a stop-go monitor to determine admission access. No contact design for greatest safety.

Washing Stations with PSA Screens

Sensor/No contact design with remote management software and highly visible hand sanitization function.

Line monitoring/crowd intelligence

Create safe environments by developing strategies to promote healthy social distance and line monitoring throughout your venue and concourses.

Contact your CenturyLink sales representative for pricing options.
